

## **"China in those days" Dinner Show 11 June '14**

The **Malaysian Danish Business Council** invites you and your family to a unique and entertaining dinner show at the Danish Ambassador's residence.

Our speaker of the evening is **Thomas Brandt**, GM of the German Chamber of Commerce and Author of the book "China in Those Days".

The book illustrates early Chinese life through more than 1.600 postcard images from what is probably the largest collection of images on old China and Chinese overseas.

The historical picture journey spans the late 1890s into the first decades of the 20th century, an era when it was a privilege to send and receive postcards from exotic Asia. Thomas will entertain us during the dinner, showing many picturesque postcards and tell us a lot of interesting facts and anecdotes on the history of the overseas Chinese, in Malaysia and around the world.

It will be possible to purchase the book at the event; the book is not otherwise available in book stores.

The event will give you a unique insight into the forces that moved so many Chinese to emigrate and the lasting impact that this migration have had on the world in general and in particular on Asia over the last 5 centuries. This provides great insight both for Chinese to learn more about the shared ancestry as well as for anyone with interest in the forces that have shaped the world we live in today; not the least here in Malaysia.

**Price RM 100 for MDBC members RM 150 for non-members**  
(payable in cash at the dinner)
